REVE... HOUSING AND
BAC... CLASSES DEPARTMENT.
File ... SPB 1656
S. I.o. 500
Date 25 JAN 1956

To

The Honourable Backard
class Minister, Govt.
of Bombay state,
Bombay.

16-1-1956.

Sir,

I, the undersigned M.R. Dasar of Mustigeri Taluka Badami District Bijapur beg to lay the following a few lines for your kind and sympathetic and favourable consideration.

I am Dasar by caste, which comes under scheduled backward class. S. I am a Harijan. During my school days I was in the Harijan Boarding Bijapur and scholarship holding student
I am thirty years of age. our community people are ~~avi~~ available only in Karnatak. The total population of our community is about fifty thousand. This community is one of mignours and very very backward in point of education. There are very few persons who have passed the Matriculation Examinations that is between seven and ten. I am also one of them.

As regards my qualificications - I have passed my Priamary school leaving Examination in the year 1941. And also I have passed my Matriculation Examination in the year 1946 by the Govt. High school Bijapur with good number of mark that is 52 percent.

I have served as a clerk in Revene Dept. Bijapur, that is in ~~a~~ collector office account branch for one year and as clerk in Namlatdars office Bagewadi and Badami for about two years during the year 1946, 1947, and 1948. But owing to my ill luck my parents fell ill. So the circumstances compelled me to resign my post. So I have resigned in the Namlatdars office Badami in the year 1948.

There is one District Local Board well at Hodlageri. Dasars and Harijans are not tuching this well. and not drawing water from this well. There was system of getting the water pots ~~fitted~~ filled by the villagers. I was troubled very much. So I tuched the well and began to draw water from the District Local Board well. Then my syster Savitri tuched the well and began to draw water. Then my brother Pundalikappa and father Ramadas and ~~Mother~~ mother Devakkewa began to draw water from the well. Therefore Shrimant Enkappa Kakaraddi and Shrimant Ramachandrappa Narappa-navar and Dasaraddi Hanamantagouda Patil became Hot. I am ~~after~~ afraid of these three people. They are lingayat by caste; and they are rich people. So all people are hearing their word by word. These three people may gather some

men; and they may make me blin or lame or any part of my body will be cut off. They may gather some men that I may have Duramarana in any way] at or in Hoolageri or in Bus or in Rly Trains in Karnatak. out side Hoolageri, So I have stopped the cultivation of lands. So I have left Hoolageri and I am living in Mustigeri. Therefore I pray to the kind Gout that the Gout should be kind enough to advise Shrimant Enkappa Kakaraddi and Shrimant Ramachandrappa Narappanavar and Dasaraddi Hanamantagouda Patil.

Again I pray and humbly request your Honour that your Honour should be kind enough to concern the Mamlatdar of Badami so that the Mamlatdar of Badami Taluka should be kind enough to advise firmly Shrimant Enkappa Kakaraddi and Shrimant Ramachandrappa Narappanavar and Dasaraddi Hanamantagouda Patil for which act of kindness I shall ever remain grateful to your Honour forever.

I beg to remain
Sir,
your most obedient
servant
